

Peace Bridge School Council Minutes February 27, 2024

1.Attendance

Mr Holmes

Mr Eckhardt

Carrie

Liz

Tammy

Stephanie

Raymond

2. Spring Fundraiser Discussion

- Happening May 4, 2024

- Looking into games and activities

- Looking for volunteers to help for the day. Was suggested that we reach out to the high school so those students can have an opportunity to collect their recommended volunteer hours. Parent volunteers would also be appreciated.

3. Financial

- Talked about how we need to get more Chrome books for the school. Providing them will be easier if we have a good turn out for bingo volunteers this year.

- Nets, poles and mats were purchased for sports.

- Looking into getting a class set of Boomwhackers to teach music.

- Teachers made a wish list of things they feel the school would benefit from.

4. School Highlights

- Thank you to everyone who donated to the school Dance-A-Thon. It was a great success again this year! Students had a great time being with friends and dancing. We look forward to next years dance as it is a highlight of the school year.

- Students love Colour House. They take pride in their teams. Students often will wear their colour shirts on normal school days. They are often asking when the next Colour House day is. Grade 8's are going to

be helping with being leaders for each group. They will also help with coming up with ideas and planning the activities. This is a great way to hear the students voice's.

Next meeting is March 26, 2024 at 5:15 in the school Library
